STEWARDS RULING

Ruling number: 19-0012
Sample # 00112972

Track: Turfway Park

Date: February 9, 2019

Owner/Trainer: Luis A. Jurado (D.O.B. 3/14/1974)

Upon receipt of notification from the LGC Science, Inc. Laboratory, the official chemist for the Kentucky Horse Racing Commission, and confirmed at UIC Analytical Forensic Testing Laboratory, sample number 00112972 taken from ANGASTON in the sixth race at Turfway Park on March 31, 2018 tested positive for dextromethamphetamine in blood (Class A). After a formal hearing before the Board of Stewards, it is determined that the presence of dextromethamphetamine in the blood sample is cause to disqualify ANGASTON and order all purse money forfeited. After review of all testimony and investigative evidence presented at the hearing, and considering all mitigating and aggravating circumstances, there is no further penalty to the owner or trainer warranted. Pari-mutuel wagering is not affected by this ruling.
